School Overview

Nestled in the shadow of Mt Surround and beside the rich fishing waters of the Haughton River is Education Queensland's best kept secret of the north, Giru State School. The students, parents and staff who call this idyllic school home quote, "It's the family atmosphere pervading the school environs which makes Giru State School so special". Our school serves as the educational hub for the town of Giru and the fertile farms surrounding the township. Our classroom, specialist teachers, and support staff, work together to meet the educational, sporting, and social/emotional needs of our students. The hardworking, cheerful and cooperative children of our school make working here each day something we all look forward to. Our school has a proud history of academic, sporting and cultural achievement dating back to when our doors first opened in 1924. Our motto echos our beliefs as we encourage and support our students to 'Strive for Success' each and every day. The Giru School community is one of supportive parents who create a cooperative partnership together with us for the benefit of all students attending this great school.

Principal's Foreword

Introduction

School Progress towards its goals in 2016

Teaching and Learning:

	Targets:	Progress:
Giru State School's Reading Framework	<ul style="list-style-type: none">All teaching staff implementing this framework.Staff capabilities being further developed.	<ul style="list-style-type: none">AchievedAchieved
A consistent approach to the teaching of spelling	<ul style="list-style-type: none">All teaching staff implementing the Giru State School Spelling Program.	<ul style="list-style-type: none">Achieved
	<ul style="list-style-type: none">Staff capabilities being further developed.	<ul style="list-style-type: none">Achieved
High yield pedagogies	<ul style="list-style-type: none">The pedagogy of all teachers aligns to the school's pedagogical framework.	<ul style="list-style-type: none">Achieved
	<ul style="list-style-type: none">All teachers implementing Giru State School's Quality Teaching and Learning expectations for English units.	<ul style="list-style-type: none">Achieved
	<ul style="list-style-type: none">Staff capabilities being further developed.	<ul style="list-style-type: none">Achieved
Australian Curriculum: <ul style="list-style-type: none">TechnologiesHPE	<ul style="list-style-type: none">The Australian Technologies and HPE curriculums are being implemented from Prep to Year 6.	<ul style="list-style-type: none">Achieved
Positive Behaviour for Learning	<ul style="list-style-type: none">All staff implementing Giru State School's Positive Behaviour for Learning Framework.	<ul style="list-style-type: none">Achieved

Other:

	Targets/ Timelines:	
Strengthening Giru State School's Kindy-Prep transition program.	<ul style="list-style-type: none"> Local Day Care Centre Kindy children visit Giru State School each week. 	<ul style="list-style-type: none"> Partially achieved
	<ul style="list-style-type: none"> Local Day Care Centre children continue to be invited to events held at Giru State School. 	<ul style="list-style-type: none"> Achieved
	<ul style="list-style-type: none"> Kindy-Prep Transition Program formalised. 	<ul style="list-style-type: none"> Achieved
<ul style="list-style-type: none"> Working in partnership with parents and the community to improve student learning outcomes. 	<ul style="list-style-type: none"> P&C continues to be actively involved in the daily functioning of the school. 	<ul style="list-style-type: none"> Achieved
	<ul style="list-style-type: none"> Community members, groups and businesses are continuing to support student learning. 	<ul style="list-style-type: none"> Achieved

Future Outlook

- Literacy:
 - Refine and embed Quality Teaching and Learning Practices for English units to ensure a minimum of 80% of Giru State School students continue to achieve a 'C' standard or better for English, and 35% of students achieve at an 'A' or 'B' standard by the end of 2017. Major new focuses will include:
 - Development and implementation of a Student Feedback Policy
 - Implementation of Collaborative Inquiry Cycles
 - Embed Giru State School's Reading Framework to ensure $\geq 80\%$ of Giru State School students continue to achieve at or above year level benchmarks.
- Numeracy:
 - Implement daily number facts warm ups across all year levels by mid-2017.
 - Develop and implement Quality Teaching and Learning practices for numeracy to ensure 90% of students achieve a 'C' standard or better in Mathematics by mid-2018.
 - Develop staff capabilities to implement the "Learning You: Problem Solving" approach by the end of 2017.

Our School at a Glance

School Profile

Coeducational or single sex:	Coeducational
Independent Public School:	No
Year levels offered in 2016:	Prep Year - Year 6
Student enrolments for this school:	

	Total	Girls	Boys	Indigenous	Enrolment Continuity (Feb – Nov)
2014	71	35	36	1	89%
2015*	62	32	30	1	90%
2016	49	24	25	4	75%

Student counts are based on the Census (August) enrolment collection.

*From 2015, data for all state high schools include Year 7 students. Prior to 2015, only state high schools offering Year 7 had these students included in their counts.

In 2016, there were no students enrolled in a pre-Prep** program.

** pre-Prep is a kindergarten program for Aboriginal and Torres Strait Islander children, living across 35 Aboriginal and Torres Strait Islander communities, in the year before school (<http://deta.qld.gov.au/earlychildhood/families/pre-prep-indigenous.html>).

Characteristics of the Student Body

Overview

Giru students come from a variety of backgrounds reflecting the nature of its richly diverse setting. A large number of students come from agricultural farms. There are also many who live on small acreages, in this very attractive township.

Average Class Sizes

The following table shows the average class size information for each phase of schooling.

AVERAGE CLASS SIZES			
Phase	2014	2015*	2016
Prep – Year 3	16	19	24
Year 4 – Year 7	14	27	
Year 8 – Year 10			
Year 11 – Year 12			

*From 2015, data for all state high schools include Year 7 students. Prior to 2015, only state high schools offering Year 7 had these students included in their counts.

Curriculum Delivery

Our Approach to Curriculum Delivery

The pedagogy of all teachers aligns to the school's pedagogical framework. The school's pedagogical framework is based on an explicit model of instruction, which encompasses the Gradual Release of Responsibility model.

The Australian Curriculum is being progressively implemented across key learning areas, as new subjects are released. C2C units, provided by the Department, are utilised to support the implementation of the Australian Curriculum in a manner that suits the school's unique context.

P-6 students participate in guided reading lessons each day.

Year 5 and Year 6 students participate in Japanese lessons each week.

In Terms 1 and 4, students utilise the school pool for PE lessons and for swimming lessons with a qualified instructor. A range of up-to-date digital technologies are used to support and enhance student learning experiences.

A range of professionals are brought into the school to enhance students' curriculum experiences.

Co-curricular Activities

- P-6 students participate in curriculum-linked excursions.
- P-6 students participate in coaching clinics in a variety of sports.
- P-6 students participate in non-denominational religious instruction lessons each week.
- Year 5 and Year 6 students attend an annual camp.
- Year 6 students participate in the GRIP leadership program.
- Burdekin sporting trials for students aged 9 and above.
- Annual Awards and Concert Night.

How Information and Communication Technologies are used to Assist Learning

Information and Communication Technologies are widely used throughout the school to support and enhance learning across all curriculum areas. Japanese lessons are conducted via web conferencing. All classrooms are equipped with electronic interactive whiteboards. Teachers use modern technologies, including iPads, desktop computers and laptops, to deliver quality teaching and learning experiences in all areas of the curriculum. Email and other electronic forms of communication are widely utilised and staff develop e-learn sites (such as virtual classrooms) for their classes to access. The school has a staff SharePoint site as well as a website which provides relevant information to staff, students and the community.

Social Climate

Overview

Giru is a school that is characterised by a strong care for every student.

Parents regard the school as a safe and caring place to send their children. This strong care is based upon the foundations of a very strong school community bond. The school looks to foster close links with parents and community groups through meaningful, supportive activities. New students and families are warmly welcomed into the community. Students from Prep to Year 6 are strongly committed to each other's wellbeing. A strong leadership program operates throughout the school, which teaches students to take responsibility for themselves and others.

Giru State School's Responsible Behaviour Plan for Students (which is based on three school rules – Be Safe, Be Respectful and Be Successful), assists in providing a positive, supportive environment to allow effective learning and teaching to occur and to enable students to participate positively within our school community. As a Positive Behaviour for Learning school, our school explicitly teaches, promotes and positively reinforces expected behaviours. Our school chaplain also supports students' social and emotional development.

Teaching programs are tailored to cater to the needs of individual students. A variety of intervention and extension programs operate throughout our school.

Parent, Student and Staff Satisfaction

* Nationally agreed student and parent/caregiver items

'Agree' represents the percentage of respondents who Somewhat Agree, Agree or Strongly Agree with the statement.

DW = Data withheld to ensure confidentiality.

Parent and community engagement

Giru State School encourages and facilitates parental involvement in their child's education in a number of ways. Parents and community members are encouraged to:

- Assist with curriculum delivery. Volunteers assist with reading groups, spelling and numeracy each week.
- Support their child to complete homework tasks;
- Contribute towards the development of individual curriculum plans, health care plans and/or behaviour plans, as required;
- Attend parent information sessions at the beginning of the school year and parent-teacher interviews each semester;
- Attend each class' Celebration of Learning once a term;
- Attend the school's annual Awards and Concert Night;
- Businesses, community groups and community members sponsor our student awards; and
- Voluntarily assist at tuckshop each week, and assist in the maintenance of the school grounds and gardens.

Respectful relationships programs

The school has developed and implemented programs that focus on appropriate, respectful and healthy relationships. Students are explicitly taught skills to keep themselves and others safe. They are taught how to identify and respond to abuse and violence; how to resolve conflicts in non-violent ways; and to Recognise, React and Report when they, or others, are unsafe.

School Disciplinary Absences

The following table shows the count of incidents for students recommended for each type of school disciplinary absence reported at the school.

SCHOOL DISCIPLINARY ABSENCES			
Type	2014*	2015**	2016
Short Suspensions – 1 to 5 days	0	0	6
Long Suspensions – 6 to 20 days	0	0	0
Exclusions	0	0	0
Cancellations of Enrolment	0	0	0

* Caution should be used when comparing post 2013 SDA data as amendments to EGPA disciplinary provisions and changes in methodology created time series breaks in 2014 and 2015.

**From 2015, Exclusion represents principal decisions to exclude rather than recommendations for exclusion. From 2015 where a principal decided not to exclude, a small number of recommendations for exclusions have been counted as a long suspension. Exclusions, Cancellations and Long & Charge Suspensions may be upheld or set aside through an appeals process.

Environmental Footprint

Reducing the school's environmental footprint

The school is constantly aware of, and concerned about, the size of its environmental impact. Therefore, the school has continued to make a conscious effort to enact its School Environmental Management Plan to ensure that the school minimises its use and reliance on non-renewable power sources, where possible.

The school's recycling, gardening, worm farm and biodiversity programs all contribute to the reduction of the school's environmental impact.

ENVIRONMENTAL FOOTPRINT INDICATORS		
Years	Electricity kWh	Water kL
2013-2014	100,415	1,934
2014-2015	88,502	1,537
2015-2016	79,172	1,847

The consumption data is compiled from sources including ERM, Ergon reports and utilities data entered into OneSchool by each school. The data provides an indication of the consumption trend in each of the utility categories which impact on the school's environmental footprint.

School Funding

School income broken down by funding source

School income, reported by financial year accounting cycle using standardized national methodologies and broken down by funding source is available via the *My School* website at <http://www.myschool.edu.au/>.

To access our income details, click on the *My School* link above. You will then be taken to the *My School* website with the following 'Find a school' text box.

**Graduate Diploma etc. includes Graduate Diploma, Bachelor Honours Degree, and Graduate Certificate.

Professional Development

Expenditure On and Teacher Participation in Professional Development

The total funds expended on teacher professional development in 2016 were \$9 989.

The major professional development initiatives are as follows:

- Developing staff capabilities to implement:
 - Quality Teaching and Learning for Early Years Reading;
 - Quality Teaching and Learning for English units;
 - Giru State School Spelling Program; and
 - Digital Technologies.

The proportion of the teaching staff involved in professional development activities during 2016 was 100%.

Staff Attendance and Retention

Staff attendance

AVERAGE STAFF ATTENDANCE (%)			
Description	2014	2015	2016
Staff attendance for permanent and temporary staff and school leaders.	96%	98%	95%

Proportion of Staff Retained from the Previous School Year

From the end of the previous school year, 67% of staff was retained by the school for the entire 2016.

Performance of Our Students

Student Attendance

Student attendance

The table below shows the attendance information for all students at this school:

STUDENT ATTENDANCE 2016			
Description	2014	2015	2016
The overall attendance rate* for the students at this school (shown as a percentage).	91%	93%	91%
The attendance rate for Indigenous students at this school (shown as a percentage).	52%	98%	77%

*The student attendance rate is generated by dividing the total of full-days and part-days that students attended, and comparing this to the total of all possible days for students to attend, expressed as a percentage.

The overall student attendance rate in 2016 for all Queensland Primary schools was 93%.

AVERAGE STUDENT ATTENDANCE RATE* (%) FOR EACH YEAR LEVEL													
Year Level	Prep	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6	Year 7	Year 8	Year 9	Year 10	Year 11	Year 12
2014	86%	93%	89%	89%	91%	92%	95%	93%					
2015	95%	90%	94%	87%	96%	96%	94%						
2016	88%	92%	88%	88%	90%	96%	92%						

*Attendance rates effectively count attendance for every student for every day of attendance in Semester 1. The student attendance rate is generated by dividing the total of full-days and part-days that students attended, and comparing this to the total of all possible days for students to attend, expressed as a percentage.

DW = Data withheld to ensure confidentiality.

Student Attendance Distribution

The proportions of students by attendance range:

Description of how non-attendance is managed by the school

Non-attendance is managed in state schools in line with the DET procedures, *Managing Student Absences and Enforcing Enrolment and Attendance at State Schools* and *Roll Marking in State Schools*, which outline processes for managing and recording student attendance and absenteeism.

Electronic rolls are marked twice daily by class teachers and entered directly in OneSchool. Parents are encouraged, through the Parent Handbook and school newsletters, to advise the school of reasons for their child's absence in writing (via email or a note to the class teacher) or to contact the school by phone.

Students' absences are immediately recorded into OneSchool. Each week letters are sent out to parents/ caregivers to seek explanations for unexplained absences. If a student is absent for 3 or more consecutive days without explanation, the school contacts parents/ carers.

Parents/carers of students with regular patterns of non-attendance are reported to the principal for further monitoring and action.

To increase attendance levels, both school-wide and individualised positive reinforcement strategies are implemented to acknowledge students who meet the school's attendance targets.

NAPLAN

Our reading, writing, spelling, grammar and punctuation, and numeracy results for the Years 3, 5, 7 and 9 are available via the My School website at <http://www.myschool.edu.au/>.
